EXPERIENCE

October 2022 - September 2023

Jalasoft  
QA Automation Tester

Project: Jalasoft Client - UI Testing

- Automated GUI test cases using Cypress, an industry-standard UI testing framework.
- Integrated test automation processes into GitLab for continuous integration.

Project Jalasoft application - UI Testing

- Performed UI testing with Selenium, following the Screen Play design pattern.
- Optimized logging with the Singleton design pattern for efficient tracking and debugging.

Project Jalasoft application - API Testing

- Collaborated on test planning and execution, including estimating test effort and creating test plans.
- Automated API test cases using Python and industry-standard frameworks.
- Conducted manual API tests using Postman to verify functional requirements.
- Implemented and maintained automated test cases using the Robot Framework.
- Integrated test automation processes into GitLab for continuous integration.
- Managed complex request and response structures for API testing using the Builder design pattern.

February 2020 - June 2022

AXS Bolivia  
Technical Support  
Remote configuration of XDSL and FTTH Modems.  
Troubleshooting XDSL Clients.  
Monitoring Traffic and Connections for XDSL Clients.

EDUCATION

September 2023 - September 2023

Udemy - Getting Started with SpecFlow in Visual Studio  
- Behavior Driven Development (BDD).  
- Installation and configuration of SpecFlow.  
- Test case automation with SpecFlow.

## LANGUAGES

English

Spanish

## PERSONALITY

- Communicative
- Punctuality
- Creativity
- Organized

### **Jala University - Automation Testing Specialization, Software Engineering**

During the specialization we learn the knowlage of:

Backend development (python, flask,Mysql, MongoDB)

Devops (Jenkins, GoCD,Vagrant, Docker)

Agile testing (Types of testing, Test plan design)

API Testing (Robot Framework)

GUI Testing (BDD, Selenium, Cypress)

August 2015 - December 2020

### **Universidad Mayor de San Andres**

Ingenieria Electronica Tesis

I finished my career, pending my thesis.

August 2023 - September 2023

### **Udemy - Cypress Bootcamp**

Cypress Bootcamp

January 2017 - October 2018

### **Centro Boliviano Americano - Proficiency in English**
